

DEER VALLEY MEN'S CLUB
BOARD OF DIRECTORS MEETING
APRIL 19 2016

President Steve Weber called the meeting to order at 3:00 P.M. The following board members were in attendance:

Steve Weber, John Lawson, Dave Whitehouse, Al Pearson, Loren Johnson
Tim Hurley, and Patti Streit.

Agenda:

- 1) Dave Whitehouse, Treasurer, reported we have income of \$11,222.18 and Expenses of \$2,964.95 leaving \$8,257.33 in our account.
- 2) Talked about gift cards, finding out we needed to give Nibby, at Deer Valley Golf Course \$350.00 more money, since most of cards given, since beginning of year were cashed in. Gift cards given for closest to pin or raffled out at General Meetings could be redeemed at Deer Valley Golf Course club house for merchandise people want. Gift cards are worth \$5.00, so when gift cards are used, Nibby takes \$5.00 out of money we have given him and balances his books. Gift cards need to be used in one month from when people get them, so we can keep track of money.
- 3) Keep getting complaints about slow play on the golf course, especially in the afternoon. It was suggested that when slow players are found we warn them first. Then if a second time happens we give them a Yellow Score card, so everyone can see they have been warned, and tell them they will get a Pink Score Card if they are slow again. After the Pick Card they will not be able to play with Deer Valley Men's Club for at least one week. Board will bring this up at April 26, 2016 general meeting, to see if members think this will work. Also may have golf groups put the time down on their score cards when they pay at the turn, and when they finish golf, so Patti our Monitor has better reference of slow players.
- 4) Steve Weber said he will get plaques for Medal and Match play winners and John Lawson said he will install them on the Medal and Match play boards outside.

The meeting was adjourned at 4:30 PM. M/S/P.
